

Product	:	Corbett - Land of Roaring tigers Ex - Delhi
Introduction	:	CORBETT NATIONAL PARK, Nestled in the foothills of the Himalayas, the Corbett National Park was set up in 1935 as India's first National Park and the first sanctuary to come under Project Tiger. The park got its name after Jim Corbett, the renowned wild life enthusiast, naturalist and author of many books on the Kumaon region. Corbett supports a variety of vegetation making it the ideal habitat for the tiger and its prey. Apart from tigers one can find leopards, sloth bears, jackals, crocodiles, Indian python, cobra and numerous species of birds. An elephant ride through the forests is a great way to experience the wildlife.
