

SHARMA DIAGNOSTIC CENTRE

RATE LIST 2015

At SDC our team of physicians and technologists along with our state-of-the-art diagnostic equipment provides you clinical expertise. The result is the highest quality images, which allow our skilled team of PATHOLOGIST to make accurate diagnosis so that you receive the most effective treatment. SDC strives to provide our patients, our physicians and our community the highest quality imaging available. Please take a few moments to see why SDC is different than other facilities and why you want your family, your friends and yourself to trust your healthcare to SDC.
